

ONE HEART WAY

Spiritual Healing and Coaching Programs

Overview

The Spiritual Healing and Coaching virtual programs are a 3-month commitment for those who are truly seeking transformation in their lives and understand that inner work and healing is the foundation of external meaning and connection in the world around us. Each healing session is

designed to work with the mental, emotional, physical and spiritual aspects that make up who we are, and give us more freedom and flow in our life so we may enjoy our soul journey with grace and ease.

What is Reiki?

Reiki is a high frequency energy that works with the mental, emotional, and spiritual aspects of your life. By restoring the balance and harmony between these facets of your life and their physical manifestations, Reiki can facilitate bodily healing. Reiki further assists by raising the energy frequency in areas of the body, canceling out negative energy, releasing blocks and trapped emotions, allowing mental clarity, emotional balance, and physical ease and comfort.
